

## Defect Report 12

### Issue location

- Profile page (though potentially main page too - have only experienced on profile page personally)

### Issue details and actual behaviour

The screenshot shows a dark-themed error console. At the top, there are navigation arrows and the text '1 of 5 errors on the page'. Below this, the error is titled 'Error: Network Error' in red. The error details include '(anonymous function)' and the file path 'src/components/Profile/Profile.js:69'. A code snippet is displayed with line numbers 66 to 72. Line 69 is highlighted with a red arrow and contains the line 'throw new Error(err);'. At the bottom of the console, there is a link that says 'View compiled'.

```
1 of 5 errors on the page

Error: Network Error

(anonymous function)
src/components/Profile/Profile.js:69

66 |         setNextMeeting(nextMeeting);
67 |     })
68 |     .catch(err => {
> 69 |         throw new Error(err);
    |         ^
70 |     })
71 |
72 | }
```

[View compiled](#)

### Expected behaviour

- No error
