

Team Meeting Minutes 19/10/2021

Attendees: Rebecca, Tiana, Zakarya, Nicholas, Terry

Minutes

Things to fix for presentation

- Resize progress and priority to be same size - Z (D)
- Check if scroll is fine on Terry's screen - Terry (D)
- Change next meeting to match last contact - N
- Change add contact wording to use customer instead of client - R (D)
- Change add contact title to match look of edit information title - R (D)
- Add banner at top of profile page - N (D)
- Typo in notifications (says 10:0 instead of 10:00) - Z (D)
- Move everything up on LHS column profile page (D)
- Remove notification bell on profile page (D)

Things to fix post-presentation

- Unread dot for notifications
- Notifications for last contact
- Notifications for next meeting
- Next meeting calendar backend fix
- Last contact calendar backend fix
- Change scroll to be responsive
- Fix profile photo to overlap header
- Fix LHS of profile page
- Notification lines uneven on notification dropdown
- Responsiveness

Presentation notes

Live demo

- Probs dont need to say stuff works just show it
- Start off by logging in, talk about how the password is hashed
 - Don't need to talk about how there's no signup
- Click pencil to edit things
