Defect Reports Template

Issue location

- List the location of the issue e.g. profile page

Issue details and actual behaviour

- Outline here in a couple dot points
- Explain the actual behaviour happening (i.e. the bug itself)
- Include screenshots or a video if relevant

Expected behaviour

- Outline what should be happening when there isn't a bug/issue

Trello card
Make sure you create a Trello card on the board with a brief name describing the issue, and link to your defect report in the description of the card.
