Defect Report 9

Issue location

- Main page, filter

Issue details and actual behaviour

- Upon selecting progress & priority on the filter, it is not showing results that match both selected filter
- E.g. if new and low are selected, all results that have new OR low will show up

Expected behaviour

- The results upon selecting progress & priority on filter should match BOTH selected filters
- E.g. if new and low are selected, only results that are new AND low show up
